

# Superlative Adjectives

**Directions:** In the comparison paragraph below, there are 4 mistakes regarding superlative adjectives. Circle all of the mistakes and correct them underneath.

Ms. Thompson's fifth-grade class exhibits diversity. Liam is the taller student, often helping to reach books on the highest shelves. Sophia turns in the most neatest handwriting, making her assignments a pleasure to read. Aiden is the least laziest student, always eager to participate and share ideas. Among them all, Noah is the more helpful, always ready to assist classmates. Ms. Thompson's class is full of remarkable students!

**Directions: Write an opinion paragraph that describes your family members and their qualities. Use at least 6 superlative adjectives.**

[illegible]
