

# Superlative Adverbs

Superlative adverbs show that something is done to the greatest or highest degree when compared to **three or more** actions/people.

For short adverbs, add “**~est**”. For long adverbs, add “**most/least**”.

**Directions:** Use the given word as a superlative adverb in a sentence. Do not change the given word into a different word. The first one is done for you.

1.[Formal]: Among the guests, Sir Nueby dressed most formally in a suit and a tie.

2.[Dramatic]:

use “most/least” dramatically

3.[Responsible]:

use “most/least” responsibly

4.[Passionate]:

use “most/least” passionately

5.[Creative]:

use “most/least” creatively

6.[Early]:

use “least” early or earliest
