

Possessive Pronouns

Possessive pronouns show ownership, and stand on their own in place of nouns.

Directions: The journal entry below has 5 mistakes regarding possessive pronouns. Use the proofreading marks below to revise the paragraph.

	To identify a spelling mistake
	To add a word

Today was show-and-tell day at school. I decided to bring my favorite dinosaur toy. Sarah, my crush, came over and asked, “is that toy you’re?” I nodded and smiled. During the presentation, Sarah showed her’s and I loved it. It looked similar to myne. Mia and Benny teamed up together to show theres. They brought rare crystals. After we all shared hours, all of us got to play with the cool items. It was such a fun day at school!
